## Team Information

4 - 8 October 2021, Zwentendorf, Austria

Team Description: Southwest Research Institute (SwRI), headquartered in San Antonio, Texas, is one of the oldest and largest independent, nonprofit, applied research and development (R&D) organizations in the United States. Founded in 1947, SwRI provides contract research and development services to industrial and government clients.

SwRI's Intelligent Systems Division (ISD) performs advanced research in numerous areas, including intelligent transportation systems, cybersecurity, connected vehicles (CVs), industrial robotics, automated vehicles (AVs), and unmanned aerial systems (UAS), among others. SwRI ISD's UAS researchers have developed systems and technologies supporting inspection, exploration, and search and rescue operations.
